DAILY NEWS CHARITIES, INC.
USA BOXING METROPOLITAN ASSOCIATION
REQUEST FOR ADJOURNMENT**

Dear Judge Caproni:

Please accept this brief correspondence as Defendant, USA Boxing Metropolitan Association's request to adjourn the upcoming June 1, 2018 court date. As was recently indicated by Plaintiff's attorney, Mark Lerner, Esq., I am currently working with my client to finalize a long-negotiated settlement agreement that will dispose of this matter in its entirety.

Based on the forgoing, I respectfully request an adjournment, for all purposes, to June 22, 2018 (i.e. the date that was proposed by Plaintiff). I respectfully note that I have a criminal sentencing scheduled for that morning (Nassau County) and therefore request a time in the afternoon if possible.

Once again, I thank this Honorable Court for its assistance with my request.

Sincerely yours,

Johnnie Woluewich, Esq.
